

BasicallyBOOKS has been at our Golden Springs location for close to a year and a half now!

Our thanks goes out to our many loyal customers, our donors who provide books to keep our shelves full, and the generous team of volunteers who give their time week after week to maintain our unique bookstore for the Diamond Bar community.

Because of all of you we can enjoy browsing and purchasing reading material for our families while helping provide our local library with supplementary funding for materials and programs that might not otherwise be available.

As of April 2011 our BasicallyBOOKS volunteer team includes:
